FROM THE PEN OF THE EDITOR

Dear young budding writers, artists and readers,

Greetings to you all.

Let us pray the Almighty for His continuous blessings. We do fervently hope that God will grace this magazine effort and give us sufficient strength. And I hope that the journey will continue to gladden the hearts of many young budding writers and artists.

GUEST OF HONOUR ELDER'S TALK

Reading maketh a full man; Conversation a ready man and writing an exact man". This is a famous quotation by Francis Bacon. Yes, to be an exact man one has to be a reservoir of knowledge for that one has to be a voracious reader. Can we read all books? Yes, the books which are worth reading are to be read.

Mrs. Brinda madam has come out a novel idea of launching E - Magazine for students of schools and colleges to enthuse and promote writing habit. Writers of great repute, started their writing habit at the young age itself. Our Brinda madam, a teacher, writer and a poet, has rightly chosen to 'catch them young'. When the children cultivate the reading and writing habit, their minds will never be carried away by external forces to put their foot in the wrong direction.

The Creative writers' group is doing an excellent job for the past more than two years. Mrs. Brinda is the linchpin of the group, leading, guiding and softly and gently coordinating with the team members, most of them are teachers. Writing is a passion for her and there is no wonder that she has written more than thousands of poems and made the teachers and students write poems. The teachers who were novice to start with and now they have become experts. Anything under the sun becomes the topic for them, the next day it becomes fragrant poems. The poets' comments on their poems are noteworthy. I am a dormant listener and intermittent reader of their poems and I used to appreciate heart of hearts the commendable act of this team's continuous work which they take it as a past time enthusiastically and energetically. I think this is of unique nature and nowhere in this world would have thought of such an admiring act. If the doors of the Guinness Book of World Records are knocked or their eyes turned to this side, I am sure they would happily bring this Creative Writers work to the world level.

Now, the launching of e magazine will definitely have a warm welcome especially from the school and college students. Mrs. Brinda finds it as a pleasure to encourage, admire and appreciate the regular contributors with token gifts also.

"Water will flow from a well in the sand in proportion to the depth to which it is dug. Likewise, knowledge will flow from a person in proportion to his learning",

Says Saint Thiruvalluvar. As an octogenarian having a pedagogic service as a teacher, Principal and Senior Principal in government and private institutions for more than 41 years, let me appeal to all youngsters from far and wide to make use of this e magazine to develop their writing skills and thereby their thinking, reading and conversing skills also which are the essential qualities of great leaders.

May the 'Creative Writers' produce poets of international level and the e magazine produce writers of great repute in future.

My hearty congratulations and adulations to Mrs. Brinda madam and her team and I wish them very best for their estimable efforts and march forward majestically embracing success after success.

கல்வி என்பது மனித வாழ்விற்கு ஒளி போன்றது; அறியாமை இருளை அகற்றுவது. தமிழ் முதாட்டி ஒளவையார் 'இளமையில் கல்'என்றார். மகாக்கவி பாரதியார் 'முதுமையில் மண்' என்றார். ஏன் அப்படி சொன்னார் என்றால் இளமையிலேயே கல்லாதவன் முதுமையில் கவனிப்பார்று மன்னாவது நிச்சயம் என்பதாகும். இளமையில் கற்பது பசுமரத்தாணி போல் மனதில் பதியும் என்பார்கள்.

STEP OUT

Every leaf, delicately crafted Every bark,
skillfully carved Every flower, masterfully
painted

Every fall unrehearsed, yet so magnificent
There's always something to see, for those willing to look

The whisper of the breeze the
distant caws

The gentle flutter of wings
The rustle of leaves, the ripple in puddles

There's always something to hear, for those willing to listen

All these artists perform
Day after day to an empty stadium No
applause, not even an audience
Just blind, deaf beings haunted by their own “lives”

But they carry on, for they need no credit They

know the truth

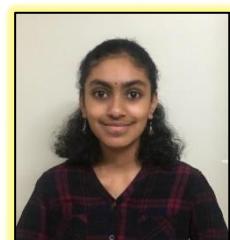

Subtlety, never fails to be underrated but once,
just once, open your eyes the band and
painters haven't left...

You will witness the perfection in flaws Get carried
away in the music of silence

Blend into the place that you crawled out of

You will lose what you think you are, and find who you truly are at you've
been seeking, was what you already have

You looked everywhere but right in front of you
There's always something to feel, for those willing to live.

Women empowerment

Women empowerment is one of the most essential things that everyone should support. When women are given the most power and rights to make decisions for themselves, they are empowered. Women were made aware of their rights. Women were taught how to be self-independent in all aspects of their life. They were taught how to create a space for them where they can and become the people they want to be. The men always had all the rights. However, the women didn't have any of these rights. Things changed when women realize that they need equal rights. Till some of the countries didn't give the rights to women for voting. Countries all over the world call themselves called "Progressive country" but every one of them has an history of ill-treating the women. Women in these countries had to fight against the system to get the freedom and status that they have achieved today.

India is also one of the countries which is not safe for women and now it is somewhat better. Another big problem that women face is that there is lack of education. Women are discouraged from pursuing education in the country. Along with that they are married early. People should be united together to make the reality of women empowerment. A better step to empower the women is to educate a woman. Most negative impact is that restrictions of women by their society. Make them to achieve in any field.

"If one man can destroy everything;

Why can't one girl change it"

Do not wait for someone else to come and speak for you it's you who can change the world.

PROUD TO BE THE WOMEN!!

அகராத்தூர் என்ற அழகிய கிராமம் ஒன்றில் சுவாதி என்ற சிறுமி தன் பெற்றோருடன் வசித்து வந்தாள் . சுவாதி புத்திசாலி தனமான சிறுமி .அவள் அகராத்தூரில் உள்ளநடுநிலைப்பள்ளியில் ஏழாம் வகுப்பில் பயின்று வந்தாள் .சுவாதி தினமும் பள்ளிக்கு நடந்து செல்வது தான் வழக்கம் . அன்று அவளுக்கு பிறந்தநாள். காலையில் புத்தாடை அணிந்துகொண்டு அம்மா' அப்பாவிடம் ஆசிர்வாதம் வாங்கி கொண்டு ,இனிப்புகளை எடுத்து கொண்டு பள்ளிக்கு செல்ல தயாரானார் .அப்போது சுவாதியின் அம்மா அவளுக்கு தங்கச்சங்கிலியை அணிவித்து பள்ளிக்கு அனுப்பினார் .அனுப்பும் போதே நீ கவனமாக இருக்க வேண்டும் என்று சொல்லி அனுப்பினார் சுவாதி பள்ளிக்கு சென்று சக தோழிகளுக்கும் ஆசிரியருக்கு இனிப்பு வழங்கினார் .அன்று முழுவதும் மகிழ்ச்சியாக இருந்தாள் பள்ளி கடைசி மணி அடித்தது.அனைவரும் வீட்டிற்கு கிளம்பினார்கள் . சுவாதி நடந்து சென்று கொண்டிருந்தாள் .அப்போது லேசாக மழை பெய்யத் தொடங்கியது .சுவாதி கொஞ்சம் வேகமாக நடந்தாள் .பின் மழை அதிகமாகவே , சுவாதி நனைந்தாள். அருகில் ஒரு வீட்டின் திண்ணையில் சென்று ஒதுங்கினாள் .அந்த வீடு பூட்டி இருந்தது .மழை மிகவும் அதிகமாக பெய்தது.சற்று நேரத்தில் அங்கு ஒரு பெண்மணியும் மழைக்காக ஒதுங்கினார் .அந்தபெண்மணி சுவாதியின் கழுத்தில் இருந்த சங்கிலியை பார்த்து கொண்டே இருந்தாள் .சுவாதிக்கு தெரிந்து விட்டது.அந்த பெண்மணி நம் சங்கிலியை திருட நினைக்கிறாள் என்று .அந்த பெண்மணி சுவாதியிடம் இந்த சங்கிலி அழகாக இருக்கிறதே என்றாள் .உடனே சுவாதி சற்றும் பயப்படாமலும் , புத்திசாலி தனமாகவும் யோசித்து அழகாக உள்ளதா இது என் பிறந்தநாளுக்கு பரிசாக என்மாமா வாங்கி கொடுத்தார் .இதன் விலை 50 ரூபாய் தான் என்றாள் .அந்த பெண்மணி வெறும் 50 ரூ பாயா என்று ஏமாந்து போனாள் .மழை கொஞ்சம் விட்டதால் அந்த பெண்மணி அந்த இடத்தை விட்டு கிளம்பினாள். உடனே சுவாதியும் வீட்டுக்கு கிளம்பினாள் வீட்டுக்கு சென்றவுடன் நடந்ததை தன் அம்மாவிடம் கூறினாள் சுவாதி போல் நாமும் எந்த சூழ்நிலையிலும் தெரியமாகவும் , சிந்தித்தும் செயல்பட வேண்டும் .

மரத்தின் அழகுரல்

ஏ மானிடா... ஏ மானிடா...

உன்னிடம் ஒன்று கேட்கிறேன்

மரமாக வளர்ந்தது என் குற்றமா மனிதனாக பிறந்தது உன் குற்றமா
என்னால் உனக்கு தொல்லையா உன்னால் எனக்கு தொல்லையா
நான் உனக்கு நன்மை மட்டுமே புரிகிறேன்

நீ எனக்கு தீமை மட்டுமே புரிகிறாய்

நீ வாழ்வதற்கு நானும் ஒரு காரணம் ஆனால் நான் வீழ்வதற்கு நீயும் ஒரு
காரணம்

உன் தேவைக்கு என்னை பயன்படுத்துகிறாய்

உன் தேவைக்கு என்னை அழிக்கவும் செய்கிறாய்

நான் உன்னை நண்பனாக நினைக்கிறேன்

நீ என்னை எதிரியாக நினைக்கிறாய்

நான் வாழ்ந்தாலும் உதவுகிறேன்

வீழ்ந்தாலும் உதவுகிறேன்

சில மனிதர்களால் வீழ்கிறேன்

சில மனிதர்களால் நான் வாழ்கிறேன்

இறுதியாக நான் ஒன்று கூறுகிறேன் உன் பிறப்பு ஒரு சம்பவமாக

Lesson from my life

I learnt these lessons from my life
We must help others
And we must love with true heart.
And we must not say lie
We should not hurt others
We should not harm others
In my life ,I learnt a lot
In life , there will be ups and down
like sea-saw,
How the sea is ups and downs,
Like that our life will also have all.
All will undergo so much problems in life,
Don't be worried at all these problems
Always We must be happy
I learn a great lesson from my life
Life is a game
We must play it
Life is like a cyclone
When the cyclone comes
We hide like that in the life
So many problems will come
We have to learn
We should not be jealous of others

ஒரு ஊரில் நான்கு நண்பர்கள் இருந்தனர். அவர்களில் ஒருவருக்கு magic தெரியும். தன்னுடைய நண்பர்களுக்கும் magic கற்று கொடுத்தான். காட்டில் நடந்து போகும் போது, வழியில் ஒரு சிங்கம் இறந்து கிடந்தது. அதை பார்த்த நான்கு நண்பர்களும் இறந்த உயிரை திரும்பவும் உயருடன் வரவைக்கும் magic யை பயன்படுத்தி சிங்கத்தை உயிருடன் கொண்டு வந்தனர். உயிருடன் வந்த சிங்கம் நான்கு பேரையும் கொன்றது. தவறான இடத்தில் magic யை பயன்படுத்தியதால். அனைவரும் இறந்தனர்.

When My Bookshelf Blooms...

A pleasant zephyr sweeps the room
When the petals of the book shelf bloom.
Will confuse one to choose the best
And it's hard to leave the rest.
Enjoy, rejoice and celebrate
The leaves that i read deliberate

When my eyes walk on the printed alphabets
And encircle the thought of such outlets
With red, that'll shake the Author's hand
From the chair I sit and read his procreated brand.
I'm diving through it and totally a booked
But the reality is I'm hooked
With the tales of swimming skyline places
And portrayal of dry poignant faces
Though have shelves from ceiling to ground
I read them as candies that surround
The phases that will make me a tool
And I'll be mesmerized as a fool
If you wish and in the due time
I'll read you one of mine
From velocity to philosophy themes,
Every book is decorated like chocolate creams
There I love the taste of every writer's bale
And here the line ends with this tale.

Nature

I love the beautiful nature
nature has magical feature

All green nature is wonderful
Admiring beautiful nature in my daily life
it erases the worries and all strife
Night time it is dark
In sea I see many shark
Nature is unbelievable and full of excitement
Makes is stand in amazement
Gradually natures beauty is decreasing
Because man is destroying
Now many thing is man made.
Nature's charm will soon fade
Save nature Save future then we will be glad

THE GREEDY FRIENDS

Once upon a time, there lived three friends in a village. They were very poor. They decided to go to city to earn money. When they were walking through the forest, they found a bag of money. They decided to divide the money among the three of them. They had been walking for a long time.

So, they were tired and hungry. They decided to have some food. One of them was sent to a neighboring village to buy food. The other friends stayed in the forest. After buying food he mixed some poison in the food to kill the other friends. He wanted to get all that money after killing them.

In his absence, the other two friends decided to kill their friend and divide the money between the two. So, when the third friend comes back, the other two attack him and killed him. When they ate the poisoned food, they were killed immediately as well. In this way, no one could get the money.

The second chance comes very rarely
If it comes use it wisely
If you miss the first chance, don't feel
Sometimes second chance will also knock the door
Never be disheartened
It will be a golden chance
if you get that
Normally chance won't come again
So use the first chance well
And win in your life
Sometimes second chance is better than the first one
In the world many of them lost the first chance
And won in their second chance
We have to use it wisely
Second chance is nothing but a second life

Once there was a girl named Lucy living in small town called Aduthurai. She was studying in 9th standard. One day she went to school and it was lunch time. She opened her lunch box and saw that her mom packed curd rice for her. She didn't like curd rice. So, she threw it into the dustbin. After the school, she was very tired and hungry. She went home. Her mother asked her, "why are you looking so tired? Did you eat your lunch?" She lied, "yes mom, I ate." Later she went and got fresher up still feeling very hungry. She realized her mistake. Had she told the truth; her mother might have given her something to eat. She felt so guilty. She went to her mom and told the truth. Then her mother gave her snacks to eat. Then she was happy and relieved. Moreover, she was not hungry.

POEM: SAVE GIRLS

I sleep, I eat, I fish and I play
I hear your sweet voice throughout the day
Innocent joy and no sorrow to hide
Mom, how is the world outside?

I can sense your love for me
I am eagerly waiting to come out and see
What is there in this world outside?
Mom, how is the world outside?

I spend my time hearing you sing
Songs of happiness, songs of spring
I sensed your hurt last night when you cried
Mom, how is the world outside?

Kid, they want a boy and not a girl
Boy is treated as diamond and pearl
I feel sorry, your life is short outside
Sweetheart, the world is sick and unsafe outside!
